email : info@apoaspinecourse.com, www.apoaspinecourse.com

Chairman's message ...

Dr. SHOICHI KOKUBUN

Dr. S. RAJASEKARAN

Dear colleagues,

It is with great pleasure that we invite you to participate in the 13th APOA Operative Spine Course at Coimbatore, India, from March 8-11, 2007. This course is a prestigious event of the APOA and has been held once every two years since 1983. The aim of the course is to emphasise the principles and safe techniques rather than on specific instrumentation. The faculty will consist of experts in the field and there will be ample opportunities for personal interaction for the delegates with the faculty. Apart from lectures and workshops, nearly 15 spine surgeries will be transmitted live with tips to improve good results and avoid complications.

Coimbatore, an industrial hub, is also well known for educational institutions, its pleasant weather, friendly culture and exceptional hospitality. It is well connected from international airports at Chennai, Mumbai, Delhi and Bangalore. The city is also a gateway to some of India's most famous hill stations, beaches, temple towns and other tourist destinations. The conference presents an opportunity to visit this beautiful country, meet old friends, make new ones and to have a great family holiday.

We welcome you and your family to a rich and memorable experience.

Shoichi Kokubun, M.D.

Chairman, APOA Spine Section
Professor Emeritus Tohoku University
Sendai, Japan

Dr. S. Rajasekaran, Ph.D.

DISCOVER INDIA

The land of beautiful surprises

India as a vast nation offers a bewildering number of travel options. The ancient and the modern, the old and the new, are in constant juxtaposition here, not only in the remains of a succession of empires, but in contemporary social structure and life styles. Above all, the country is known for its hospitality that is so warm and caring; eagerly awaiting to encompass you with traditional hospitality and warm friendship. Looking forward to seeing you in India.
