

## COLLABORATIVE RESEARCH PROPOSAL SUBMISSION FORM (Appendix A)

The Asia Pacific Spine Society (APSS) Research Committee **currently does not have funding** to financially support collaborative research project. However, the Committee would like to gather research proposals that seek funding for future consideration when funding is available.

Kindly be informed that the Committee will prioritise approval for proposals that do not require financial support. If your proposal requires funding to execute or is seeking financial support, kindly complete the required details below:

<b>Title of the proposed collaborative research:</b>
