

Proposed Cases for this Operative Spine Course

Adolescents idiopathic scoliosis Lenke 1 for corrective surgery
Adolescents idiopathic scoliosis Lenke 5 for corrective surgery
Degenerative lumbar scoliosis for corrective surgery
Degenerative lumbar disease for lateral intervertebral fusion
Degenerative lumbar disease for MIS TLIF
Atlantoaxial fusion
Cervical myelopathy for laminoplasty
Cervical radiculopathy for ACDF
Lumbar disc herniation for endoscopy surgery
Lumbar disc herniation for unilateral biportal endoscopy surgery

International Speakers

Prof Wong Yat Wa
Prof Chung Chek Wong
Prof Kenneth Cheung
Prof Gabriel Liu
Prof Chris Chan Yin Wei
Prof Alvin Pun
Prof Brian Hsu
Prof Yoshiharu Kawaguchi
Prof Kenny Kwan
Prof Dong-Gune Chang

Local (Chinese) Speakers

Prof Jianguo Zhang
Prof Yong Hai
Prof Zhaomin Zheng
Prof Zheng Wang
Prof Zezhang Zhu
Prof Zhili Liu
Prof Kai Cao
Prof Bin Zhang
Prof Wenbing Wan
Prof Jiaming Liu
Prof Zongmiao Wan
Prof Pingguo Duan

APSS NANCHANG OPERATIVE SPINE COURSE

Day 0, 6th August 2025 (Wednesday) – The First Affiliated Hospital of Nanchang Univ., Nanchang

14:00 – 20:00 : Registration of Participants and Invited Speakers
(Sheraton Nanchang Hotel, China)

APSS NANCHANG OPERATIVE SPINE COURSE

Day 1, 7th August 2025 (Thu) – The First Affiliated Hospital of Nanchang Univ., Nanchang

- 8:00 : Registration of Participants Open
- 8:00 – 8:40 : Opening Ceremony (*Moderator: Prof Kai Cao*)
- Welcome Remarks by President of Nanchang University (*Prof Yeguang Chen*)
- Welcome Remarks by President of Affiliated Rehabilitation Hospital of Nanchang University/Chairman of Jiangxi Association of Rehabilitation Medicine (*Prof Zhen Feng*)
- Welcome Remarks by Chairman of Spine and Spinal Cord Injury Committee of Jiangxi Association of Rehabilitation Medicine (*Prof Zhili Liu*)
- Welcome Remarks by APSS President (*Prof Wong Yat Wa*)
- Photo taking session
- 8:40 – 10:30 : Pre-Operative Cases Presentation and Discussion
(*Moderator: Prof Wong Yat Wa/Prof Chung Chek Wong / Prof Jianguo Zhang*)
- 10:30 – 10:40 : Coffee Break
- 10:40 – 12:30 : Pre-Operative Cases Presentation and Discussion
(*Moderator: Prof Kenneth Cheung/ Prof Yong Hai /**Prof Alvin Pun***)
- 12:30 – 14:00 : Lunch
- 14:00 – 15:30 : Saw Bone
Grade I/II osteotomy, Grade III/IV osteotomy, Grade V/VI osteotomy
(*Instructors: **Prof Kenny Kwan**/Prof Zhaomin Zheng/Prof Yoshiharu Kawaguchi*)
- 15:30 – 17:00 : Saw Bone
C1-2 lateral/pedicle screws, Subaxial lateral/pedicle screws, S2Al/ilic screws
(*Instructors: Prof Gabriel Liu/ **Prof Chris Chan Yin Wei**/Prof Wenbing Wan*)

APSS NANCHANG OPERATIVE SPINE COURSE

Day 2, 8th August 2025 (Fri) – The First Affiliated Hospital of Nanchang Univ., Nanchang

In the Auditorium:

Morning Session: Degenerative Cervical Spine Disease

(Moderator: Prof Brian Hsu / Prof Zezhang Zhu)

- Cervical spondylotic myelopathy and radiculopathy: ADR or ACDF? *(Prof Gabriel Liu)*
- Cervical spinal stenosis: laminectomy or laminoplasty? *(Prof Hai Yong)*
- Mild cervical spondylotic myelopathy: surgery or conservation? *(Prof Chris Chan Yin Wei)*
- Cervical kyphosis: anterior or posterior approach? *(Prof Zhaomin Zheng)*
- Cervical OPLL: anterior or posterior approach? *(Prof Alvin Pun)*

Lunch

Afternoon Session: Spinal Deformity

(Moderator: Prof Wong Yat Wa / Prof Dong-Gune Chang)

- Congenital scoliosis correction techniques *(Prof Jianguo Zhang)*
- Adolescent idiopathic scoliosis: surgery indication and fusion level selection *(Prof Kenneth Cheung)*
- PVCR correction technique in spinal deformity surgery *(Prof Zheng Wang)*
- Adolescent idiopathic scoliosis correction techniques *(Prof Yoshiharu Kawaguchi)*
- The factors of scoliosis revisional surgery *(Prof Kai Cao)*
- Role of lateral/anterior approach in degenerative scoliosis surgery *(Prof Chung Chek Wong)*

In Operating Theatre:

OT 21 & 22 16 (Morning and Afternoon. Total: 5 cases)

APSS NANCHANG OPERATIVE SPINE COURSE

Day 3, 9th August 2025 (Sat) – The First Affiliated Hospital of Nanchang Univ., Nanchang

In the Auditorium:

Morning Session: Degenerative Lumbar Spine Disease

(Moderator: Prof Kenneth Cheung/**Prof Chris Chan Yin Wei**)

- High grade spondylolisthesis surgical strategy (Prof Wong Yat Wa)
- Degenerative lumbar scoliosis correction strategy (Prof Zezhang Zhu)
- Unilateral biportal endoscopy in treating lumbar stenosis (Prof Dong-Gune Chang)
- Lumbar endoscopic surgery: indications, limitations and complications (Prof Pingguo Duan)
- Lumbar stenosis: decompression only or fusion? (Prof Zongmiao Wan)

Lunch

Afternoon Session: Spinal infection, tumour, osteoporosis and post op discussion

(Moderator: Prof Gabriel Liu/ Prof Bin Zhang)

- Spinal metastasis management (**Prof Kenny Kwan**)
- Spinal osteoporotic fracture management (Prof Jiamin Liu)
- Treatment of spinal infection (Prof Brian Hsu)
- Treatment of spinal tuberculosis (**Prof Chris Chan Yin Wei**)
- Discussion on the post operation patients and images

In Operating Theatre:

OT 21 & OT 22 (Morning and Afternoon. Total: 5 cases)
